

# St Andrews AME Church

## A Mathematics Camp

July 2-August 2, 2018

1. To develop problem solving and thinking skills.
2. To **excite** academic performance by mastering a skill.
3. To develop self-esteem.
4. To stir up civic responsibilities and increase marketability.
5. To reenforce the Christian virtue of sharing with the less fortunate.

10 am to noon  
2131 8th Street Sacramento, CA
